

To recognize facilities that effectively promote and implement the NBS Program in their respective constituencies, NSCCL awarded Certificates of Recognition for the first quarter of 2019 to well-performing NSF's in Central Luzon and Cordillera Administrative Region.

The recognized NSF's have met the following criteria:

- Less than 1% Unsatisfactory Rate in 2017
- Less than 1% Unsatisfactory Rate in 2018
- 50% and above initial ENBS samples over the total initial samples in 2017 (with a minimum of 5 samples for the whole year)
- 60% and above initial ENBS samples over the total initial samples in 2018 (with a minimum of 5 samples for the whole year)
