

NSC-CL Recognizes Well-Performing NSF's

Written by NBS Siteadmin

To recognize facilities that effectively promote and implement the NBS Program in their respective constituencies, NSCCL awarded Certificates of Recognition for the first quarter of 2019 to well-performing NSF's in Central Luzon and Cordillera Administrative Region.

The recognized NSF's have met the following criteria:

- Less than 1% Unsatisfactory Rate in 2017
- Less than 1% Unsatisfactory Rate in 2018
- 50% and above initial ENBS samples over the total initial samples in 2017 (with a minimum of 5 samples for the whole year)
- 60% and above initial ENBS samples over the total initial samples in 2018 (with a minimum of 5 samples for the whole year)
