WHEREAS, during prenatal every expectant mother must accomplish a birth plan which is prepared during the first prenatal consultation;

WHEREAS, this birth plan contains information on the woman's condition during pregnancy, preferences for her place of delivery, choice of skilled health professional, available resources for her child and new born baby, preparations needed should an emergency arise during pregnancy, child birth and post-partum;

WHEREAS, Labueg Barangay Health Station is an accredited Maternal Care Package Provider which means it is capable of carrying out Normal Spontaneous Deliveries and Newborn Care Package;

WHEREAS, there are other nearby facilities who are Maternal Care Package and Newborn Care capable like the Rural Health Unit and Kapangan Medicare and Community Hospital as our referral units;

NOW THEREFORE on motion of Kagawad Brenda Galasa and duly seconded be it;

BE IT RESOLVED, as it is hereby resolved to encourage all pregnant women to undergo prenatal check-up from conception to birth, deliver in a health facility in and subject their newborn for Newborn Screening in Barangay Labueg, Kapangan, Province of Benguet;

BE IT FURTHER RESOLVED that the clinic shall serve all pregnant women of the Barangay and other adjacent barangays who will come to avail of services. Those who will undergo normal spontaneous vaginal delivery, in cephalic presentation, shall be admitted at the birthing clinic and those with identified medical and obstetric problems upon assessment shall be referred at once to the hospital;

BE IT RESOLVED STILL FURTHER, that all newborn babies delivered in the BHS shall undergo Newborn Screening in compliance to Newborn Screening Act 9288.

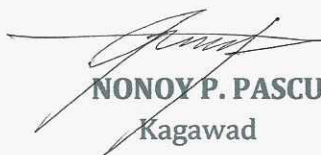

BE IT RESOLVED FURTHER, that in order to sustain the operation and maintenance of the Barangay Health Station the following fees and charges shall be imposed.. However, Normal Spontaneous Delivery and New Born care is free of charge since Philhealth will reimburse the amount of P8,000.00 to the facility which shall be apportioned as follows:

1. P4, 500.00- Health Care facility for the purchase of health supplies needed in attending to deliveries such as but not limited to IV fluids, oxytocin, vitamin K, gloves, IV catheters, surgical tapes, NBS Kits and others;
2. P 3,500.00- Birth Attendants namely the Midwife, Nurse, Community Health Team members who helped during referral and or those who rendered duties while the patient was admitted in the facility and or as Community Health Team fund;

BE IT RESOLVED FURTHERMORE, that all out borne babies and Non-Philhealth Normal Delivery Cases shall be charged of 600.00 for new born screening procedure and an additional 200.00 for replenishment of health supplies for NSD cases;

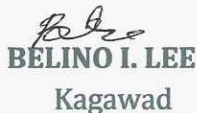

BE IT FINALLY RESOLVED that the copies of this resolution shall be forwarded to the Municipal Health Board, Liga ng Mga Barangay Office, DILG and Sagguniang Bayan.

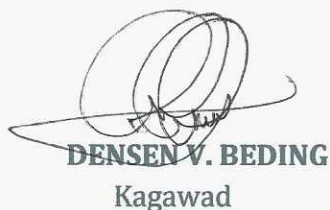

UNANIMOUSLY CARRIED.
